

RAJ GOPAL PATRO

Aspiring Software Engineer with a strong foundation in programming

📞 8114334404 | ✉️ rajgopalpatro3@gmail.com | 🌐 LinkedIn | 🐙 GitHub | 📍 BERHAMPUR

PROFESSIONAL SUMMARY

Motivated Computer Science (AI & ML) student with a strong foundation in Python, Java, Data Structures & Algorithms, and Machine Learning. Experienced in building AI-based projects using NLP and LLM technologies, with a passion for developing innovative software solutions. Eager to apply technical skills, learn from industry experts, and contribute to impactful AI/ML and Software Engineering projects.

EDUCATION

Year	Degree	Institute	CGPA/MARKS
2020 - 2021	10 BOARD	ST VINCENT CONVENT SCHOOL	87
2022 - 2024	12 BOARD	DE PAUL	78
2024 - 2028	B.Tech CSE	KALING INSITUTE OF INDUSTRIAL TECHNOLOGY	7.5

PROJECTS

AI JUDICIARY GPT <i>AI Legal Assistant</i> Developed an AI-powered legal assistant for legal document analysis, summarization, and question answering using NLP and LLM technologies. Technologies: Python, Flask/FastAPI, LangChain, FAISS, MySQL/SQLite, PyPDF2, Scikit-learn.	May 2026 - Present
AI Resume Screening System Developed a resume screening system that extracts skills, matches job descriptions, and ranks candidates using NLP and Machine Learning. Technologies: Python, Flask/FastAPI, MySQL, spaCy, NLTK, Pandas, NumPy	May 2026 - Present

SKILLS

Programming Languages :	C, Python, Java, SQL
Frameworks & Libraries :	Flask, Node.js, NUMPY, PANDA
Tools & Platforms :	GitHub, Git, Docker, GitLab, Kubernetes, CI/CD
Databases :	PostgreSQL, MySQL
Soft Skills :	Teamwork, Collaboration
Languages :	English, Hindi, ODIA
